Legislative Update

Mike Mitchell

2015 Legislation

- Two official agency bills
 - HB 114 (Rep. Kevin Tanner)
 - HB 118 (Rep. Kevin Tanner)

- Two unofficial agency bills
 - HB 210 (Rep. Terry Rogers)
 - SB 100 (Sen. Tyler Harper)

Enables DDS to implement two new Federal Motor Carrier regulations that take effect this year.

- Use of wireless telecommunications devices by drivers of commercial motor vehicles.
 - Prohibits holding device.
 - Prohibits use of more than one button to make/end call.
 - Prohibits reaching.

HB 118

The Federal Motor Carrier Safety Administration (FMCSA) has published new rules that restrict texting and the use of hand-held mobile phones by truck and bus drivers while operating a commercial motor vehicle (CMV).

It's very easy to
comply with the
new rules:

No
REACHING
No
HOLDING
No
DIALING
No
TEXTING
No
READING

Bottom Line: Using a hand held device while driving is a serious traffic violation that could result in a driver disqualification.

No Call, No Text, No Ticket!

- Commercial learner's permits

 - Must hold a commercial learner's permit a minimum of 14 days.

- Both dead as of noon on Day 40.

- SB 100 passed and was signed into law on April 16th.
